Grant Activity - Dorothy_Hargreaves_Walk_In_Access			
Description	Site is currently being re-enrolled. New contract will start 10/1/2011. We are planning on haying the site in August of this year and then spraying and inter-seeding in the spring of 2012. I think site will be excellent for deer hunting this fall with the regrowth of the birdsfoot on the site. Seeded native species probably won't provide quality habitat fall of 2012 but hopefully will by fall of 2013.
