Grant Activity

Grant Activity - 2014-LWM-NRBG			
Description	Administration practices, Stormwater strategies, and drinking water quality in Pope County. Monies to be used for educational activities throughout the county. Monies will help pay for data collection for gauging health of water resources and lake samplings that are done by staff and volunteers throughout the county and for well sealing activities. Certified data has been collected since 1994. Monies will be used to create demonstrations around the county that will highlight various Best Management Practices. This year's emphasis will be on shoreland erosion control. Cost share assistance for well sealing to seal abandoned wells will be provided.
